

The **Cumberland County Nutrition Program** is funded by Title III of the Older Americans Act, to provide nutritious meals in a social setting to the senior citizens of the County.

The goals of the Nutrition Program are to:

- promote good health through proper nutrition
- reduce loneliness by offering the opportunity to socialize and be with others
- provide easy access to other programs and benefits available

WHO MAY COME?

Any County resident 60 years of age or older and their spouse may participate. If the nutrition site is located in a federally subsidized housing facility, disabled residents of that facility are eligible and welcome to attend. Participants are asked to call two days in advance so that a meal can be ordered. Transportation is available if needed by calling CATS (Cumberland Area Transit System) at (856) 691-7799.

HOW THE PROGRAM WORKS

Each day, Monday through Friday, a hot noontime lunch is served. Menus include meat, fish, or chicken; vegetables; fruits; bread or rolls; milk; and coffee or tea. The well-balanced meals are planned by a nutritionist to provide 1/3 of the RDA (recommended daily allowances). Diabetic meals are also offered.

Representatives of other agencies visit the luncheon sites to keep all informed about events, programs, and services.

There is no fee for meals served. Each participant is given the opportunity to make a contribution to the program. The suggested donation is \$2.00. Donations are used to offset the cost of the meals and to expand the program to more seniors.

Volunteers serve in many capacities, including packing for Meals on Wheels, serving at the site, and assisting at the desk or in the kitchen. Volunteer participation is encouraged at every site.

CALL THE SHARING CENTER NEAREST YOU TO MAKE A RESERVATION (9:30 a.m. to 1:00 p.m.):
