	BUDGET MESSAGE	
<p>COUNTY TAX LEVY CAP</p> <p>Public Law 2007, Chapter 62 amended the existing cap law to include a second CAP calculation. Both calculations are required to be completed, and for Counties, the calculation that results in the lowest increase is to be used to determine the amount to be raised by taxation.</p> <p>The first calculation (referred to as the 1977 Tax Levy Cap) resulted in a maximum amount to be raised by taxation of \$104,727,811.10 and the second calculation referred to as the 2010 Tax Levy Cap) resulted in a maximum amount to be raised by taxation of \$106,648,691.45.</p> <p>The preceeding worksheets illustrate the detailed items used to calculate each of the two tax levy cap's. Based on statutory requirements, Cumberland County must use the more restrictive cap, as calculated by using the 1977 Cap. The levy proposed within the 2024 Budget anticipates \$103,700,000 of revenue from the County Purpose Tax Levy.</p> <p>EMPLOYEE HEALTH BENEFITS</p> <p>The 2024 budget includes health benefit payments for existing employees and for retirees. The total budgeted cost for Active Employee Health Benefits is \$15,870,000. Health benefits reform legislation of 2010 requires premium cost sharing contributions by employees that, for 2024 reduces the total budgeted cost by \$2,855,000 for a \$13,015,000 net Budget Appropriation. For 2023 the \$12,655,000 appropriation was net of \$2,648,000 employee cost share.</p> <p>Employee contributions as a percentage of insurance costs are established from a cost sharing schedule based upon each employee's income level, as set forth by ch 78 of PL of 2010. The 2024 and 2023 Budgets include the full Health Benefits cost sharing percentage as established by ch 78, PL 2010.</p> <p>The 2024 budget appropriation for Retired Employee Health Benefits is \$2,285,000. The County requires a 20% cost share from retirees eligible for these post-retirement Health benefits. This is recognized as an Anticipated Revenue of \$350,000 for a \$1,935,000 net cost. For 2023 the retiree Budget Appropriation was \$2,235,000 with a revenue offset of \$331,000.</p>

**COUNTY BUDGET MESSAGE  
STRUCTURAL BUDGET IMBALANCES**

				Line Item. Put "X" in cell to the left that corresponds to the type of imbalance.	Amount	Comment/Explanation
X			X	Surplus Anticipated	10,000,000.00	This budget is anticipating approximately 45% of its current fund balance available. In recent years, the County's appropriation reserves lapsing into fund balance have been significant - but these were directly tied to the under-spending during the COVID-19 pandemic and availability of COVID-related funding. Consequently, the County anticipated more surplus in its budgets as a result. There must be strict planning in place to taper the budget reliance on surplus in the next few years to balance the budget without fully depleting fund balance. 2024's usage is based on the County's fiscal policies to not exceed the amount of surplus put back in the preceding year.
X			X	Amount to be Raised by Taxation	103,700,000.00	The 2-2.5% levy cap(s) matched with unreasonable expectations deriving from collective bargaining agreements offering year-to-year increases above 2%, benefit costs such as health insurance and pension rising well above 2%, limited to no new revenue sources, and operating a full jail facility while simultaneously housing excess inmates in other county jails create a significant challenge. While budgets are projected out years in advance, substantial change needs to occur in subsequent budget years to address these.
X			X	American Rescue Plan Act of 2021 (Coronavirus Local Fiscal Recovery Funds)	5,206,450.00	The County is utilizing the Revenue Loss provision under its ARPA-CLFRF dollars to cover operating expenses for the County Correctional facility. This is a significant portion of the County's anticipated revenues both for this year (2024) and the year preceding, which will make for a challenging 2025+ budget year(s) to fund or otherwise reduce spending.
		X		Union Contract Agreements - Various	Unknown	The County presently has four (4) bargaining units involving positions that are funded through the Current Fund, or general county operations subject to ad valorem taxes. Two (2) are Corrections (line/superiors) that are presently expired and two (2) are Prosecutor Investigators (line/superiors). The former two (2) have tentative agreements as to the financials, which may result in executed MOA's during the budget timeline. These are incorporated into this buidget. Given recent trends in inflation/cost-of-living and the 2% interest arbitration sunseting on law enforcement contracts, the settlement of such contracts have raised salary/wage appropriations.
		X		Other Expense - Corrections (Includes ARPA funded)	10,283,550.00	The County is utilizing ARPA funds to cover certain increases in operating expenses for the Correctional Facility. Due to changes in the direction of the County Jail's future, we continue to find ourselves in a fiscal position of uncertainty. It is presently anticipated that the County will move towards the creation/joining a regional authority for corrections. In 2024 there must be a series of planning/design processes that needs to result in a path forward.The flexibility of ARPA's Revenue Loss allows the County to fund inmate housing contracts and/or the hiring of additional staff, as our inmate counts continue to rise and space at other correctional facilities dwindles.

		X		Public Employees' Retirement System Pension	6,387,237.00	Based on information published by the Division of Pension and Benefits, local government employers are facing pension contribution rate increases. With levy cap increases paling in comparison, and no action by the State of New Jersey to off-set such extraordinary increases or otherwise fund its accrued liability, future year budgets will be painful. Couple these increases with the increase in cost-of-living, driving up salary and wage increases in collective bargaining agreements, pension costs will continue to rise un-checked.
		X		Police & Fire Retirement System Pension	4,214,446.00	Based on information published by the Division of Pension and Benefits, local government employers are facing pension contribution rate increases. With levy cap increases paling in comparison, and no action by the State of New Jersey to off-set such extraordinary increases or otherwise fund its accrued liability, future year budgets will be painful. Couple these increases with the increase in cost-of-living, driving up salary and wage increases in collective bargaining agreements, pension costs will continue to rise un-checked. While, the County observed a small decrease in PFRS in 2024 due to retirements/resignations in 2022 in law enforcement officers at higher salaries, it is expected such decreases as this and 2023's to be the extent and for future appropriations to return to its former trends.

**2024**  
**CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

- A plan for all capital expenditures for the current fiscal year.
- If no Capital Budget is included, check the reason why:

- ☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- ☐ No bond ordinances are planned this year.

**CAPITAL IMPROVEMENT PROGRAM**

- A multi-year list of planned capital projects, including the current year.
- Check appropriate box for number of years covered, including current year:

- ☐ 3 years. (Population under 10,000)
- ☒ 6 years. (Over 10,000 and all county governments)
- ☐ years exceeding minimum time period.
- ☐ Check if county is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**COUNTY OF CUMBERLAND  
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

N.J.S.A. 40A:4-43 eq set. requires Counties to include a capital budget for the current year and a six-year capital plan for the current year plus five (5) additional years. These are planning documents only and no obligation on the part of the County takes place until an ordinance or other appropriation is made by the Board of County Commissioners. The figures presented for each category represent a proportionate amount of funding anticipated to be available for each year in accordance with the six-year plan, however - all capital budgets are determined in the year in which the County budget is made and all figures presented here are subject to change.

The 2024 Budget commits significant annual funding for roadway improvements, renovations to public buildings, and replacement/upgrade of worn or obsolete equipment/vehicles.
