Cumberland County Department of Human Services - Divisions and Programs

Human Services Advisory Council (HSAC)

The HSAC is comprised of providers, interested citizens, and consumers of all types of human services. All HSAC meetings are open to the public with participation encouraged. Meetings are used for planning, networking, educating and advising individuals and agencies throughout the county.

Division of Mental Health & Addiction Services

To protect, assist, and empower people living with or affected by mental illness and substance use challenges by promoting wellness and recovery in our community through education, collaboration, and partnerships.

Capital Recovery Center

Capital Recovery Center is a recovery-oriented sanctuary where individuals with a substance use disorder and their loved ones can access peer support, information about substance use disorder treatment, recovery support services, other resources, and participate in social and recreational activities in a supportive substance free environment.

Recovery on Wheels (ROW) & Cumberland C.A.R.E.S

ROW is a bus outfitted to provide access to substance use disorder recovery services on the spot in real time. services will be available through ROW as it navigates to locations throughout the County. C.A.R.E.S is for those seeking to begin or sustain long-term recovery from an addiction to alcohol or other drugs. The program offers support from peers who have been trained in the skills and knowledge needed to guide, mentor, and support anyone working toward recovery.

First Step Clinic

The treatment program provides evidenced-based practices for outpatient and intensive outpatient services for those with an alcohol and/or substance abuse disorder diagnosis and those in need of co-occurring mental health treatment.

Homeless & At-Risk Services

The County has a coordinated network of services that respond to the needs of those who are homeless or at risk of becoming homeless. Funding from state and federal sources provide shelter, transitional housing, emergency assistance with rent and utilities, emergency groceries and daily meals. The County Division of Homeless, coordinates some, not all, of the homeless services in the county.

Children's Inter-Agency Coordinating Council (CIACC)

The CIACC is dedicated to helping children, from birth to age 21, with behavioral or mental health, intellectual or developmental disability, and/or substance use concerns. The Cumberland CIACC works to develop and maintain a responsive, accessible, and integrated system of care for children's needs and also supports families and caregivers in the process.

Youth Services Advisory Council (YSAC)

The YSAC contracts with local agencies to provide community-based services for at-risk youth, and youth involved with the Youth Justice System. The YSAC completes an extensive plan and application process every three years for the New Jersey Youth Justice Commission, and the programs and services provided are based on justice needs of youth and families within the County.
