BIOGRAPHY:

Antonio (Tony) Romero is a proud Cuban American; he has lived in Vineland for 54 years. Tony is a family man; he adores his beautiful wife, Mari, and his 5 children. Tony arrived in America from Communist Cuba as a young boy. His purpose is clear; he will do everything he can to preserve the America that offered his family refuge from the clutches of communism. As a local business owner in Vineland, Antonio has seen firsthand what happens when only one party oversees a county. Tony has owned and operated an auto business for the past 24 years; he understands the difficulty of navigating state and county regulations in order to remain successful in business. Tony has endured the state and county as they have over-regulated for too long. He knows our county needs to cut the red-tape restrictions that are onerous to those striving to start or maintain a local business. Tony will work to stop adding policies that stifle business owners from growth and prosperity. Tony is a well-respected resident and businessman and has been recognized by many local organizations for his long-time support of the Hispanic community, the city of Vineland, and their neighboring communities. Some of his awards that Antonio is proud of are: Pennco Tech Diploma in Electronic Technology, MX Business Building Diploma, Casa Prac Business Award, Store Cable - Manager of the Year in customer relations, Certificate of Appreciation by the Puerto Rican Club, Proclamation in 2005 by the Vineland Mayor and a Proclamation by the State of NJ with a Proclamation by the Cumberland County Clerk's Office presented by Gloria Noto. He was recognized by DH Perfil Latino TV, Inc. as the Hispanic Heritage Business Leader of the Year, and in 2021 was the recipient of the Martin Luther King Award. Tony Romero will stand up for our Constitution, the New Jersey Constitution, and for Cumberland County as a Commissioner. He knows it is time for bold and fresh leadership in Cumberland County and is ready to serve as Commissioner to represent the citizens of our county.

DEPARTMENTAL/DIVISIONAL LIAISON ASSIGNMENTS:

Liaison:

Department of Agriculture, Co-Liaison

BIOGRAPHY:

Commissioner John Capizola Jr., known to most as Johnny, is a 44-year-old proud resident, educator, and business owner in Vineland, Cumberland County. As a child, he attended Vineland Public Schools and now is a Health & Physical Education teacher in the district at Rossi Elementary School. After graduating from Vineland High in 1996, Commissioner Capizola started his higher education at Cumberland County College before transferring to The University of Delaware. He received a Bachelor's degree in Science in Health & Physical Education. Continuing his lifelong learning journey, Commissioner Capizola entered the Master's program in School Leadership at Wilmington University in Delaware. He completed the rigorous two-year program at Wilmington. During those bustling years, becoming a father, opened his first business (Parkside Laundromat in Millville), and in 2008 received a Master's degree with a 4.0 GPA while completing his Principal and Supervisor Certification in New Jersey. In 1996 his first year of college, Johnny met his amazing future wife, Giovanna Di Dino, now Giovanna Capizola. Giovanna moved to Vineland, NJ, from Italy in the City of Messina, Sicily, to attend Richard Stockton College a few months before they met. Her family started a small successful pizzeria in Millville called Serafina's Ristorante & Pizzeria. Giovanna and Johnny worked at the family restaurants and later decided to attend college together at the University of Delaware. Johnny & Giovanna have been happily married for almost 18 years and, in 2008, had their son Marco. After college, Commissioner Capizola started his career teaching health as a long-term substitute teaching special education students at Vineland High School North in the 2001/2002 school year. When a full-time Health & Physical Education position opened up in Atlantic City the following summer at Indiana Avenue School, he jumped at the career opportunity. After two and ½ years out of the county, he jumped at the chance to return to the Vineland Public School system and work for former commissioner/freeholder Mary Gruccio (Principal) at Leuchter Elementary School. A few years later, a large redistricting sent the staff at Leuchter to the new D'Ippolito Elementary school, where he taught until 2018. Five years ago, after another district reorganization with new school openings, Commissioner Capizola transferred to his current position at Rossi Elementary School. In his personal life, you may know him from one of the many different sporting events he has coached his teenage son Marco over the past 12 years. Some organizations include the YMCA in Vineland, East Vineland Little League Fields, Vineland Soccer Association, Vineland Basketball Association, Vineland Midget Football Fields, or one of the many other travel teams over the years. During the past year, he took a step back in the coaching department but is actively involved in all of his son's activities.
